STREAMING SERVICE
Providing your library with the best collection of international documentary films

Profound, visionary, stunning.
—MARK KISSEL

Introducing FILM PLATFORM's brand new STREAMING SERVICE

Access a curated selection of the world's best documentary films with the FILM PLATFORM streaming server. Students and academics can watch our films online, on or off campus, at any time of the day or night, through our high-speed viewing portal.

Our catalogue gathers the finest contemporary documentaries fresh from the international festival circuit. Our films are curated by an Academic Advisory Board to ensure that the highest educational standards are upheld. At FILM PLATFORM, filmmakers and academics can connect, provoke debate, and inspire change.

Film Platform Subject Collections include:

Gender Studies | Human Rights | Asian Studies | Legal Studies | Urban Studies and Architecture | Jewish Studies | Environmental Studies | Arts and Culture | Journalism | Disability studies | Israel/Palestine Studies | International, Social & Political Affairs | Social Work | Sociology | American Studies | Technology | K-12
