# LATIN AMERICA: A GIANT IN TURMOIL

A FILM BY **MARCO ENRIQUEZ & RODRIGO VÁZQUEZ**

Political defeat in Argentina, Ecuador turning right, demonstrations in Venezuela, discredit on the Brazilian politics, new era in Cuba... Following a wave of success these last years, the left-wing political forces are undergoing critical defeats.

With an unprecedented access to the current political leaders in Latin America (Dilma Rousseff, Nicolás Maduro, Pepe Mujica, Evo Morales, Rafael Correa), the film gives us an insight view on the new challenges the continent is facing.
